

The LECs operate an "essential facility", and should have to accommodate other ISP firms that wish to purchase access from them. This wholesale provisioning stimulates competition and benefits consumers. Chairman Powell: Please do not sell out to BIG BUSINESS, at the expense of competition and the small businesses of our country.

The cable companies were given the right of way by the US citizens to run the wires,  
therefore the cable companies owe the right of way to the US citizens for the use of those same wires.
